

Sidmouth Cricket, Tennis and Croquet Club

Car Parking

The Trustees have discussed the broad challenges that Car Parking has created across the Club over the years - and the frustrations incurred by the Tennis Coaches, and others, if parking spaces or parking permits for Fortfield Terrace are not available.

To help address this the Trustees have agreed the following:

1. Parking on the Club premises

The Sid Valley Coaching team to be allowed to park one car within the gate/on SCTCC premises, when they are coaching on Sidmouth Tennis Club courts, or dropping off kit, etc. This is all year round - except for days when Sidmouth Cricket Club (or Devon CCC) adult cricket matches are scheduled and/or other pre-advised events are taking place, e.g. Folk Festival, Red Arrows etc.), when other arrangements must be made - including using parking permits if available.

Others that can park on the premises include:

Groundsman x 1

Caterer x 1

Bar Manager x 1

Cricket Umpires x 2 (when adult games are scheduled).

We have considered the potential inconvenience of parking on the premises to the Groundsman (and any assistant) whilst moving machinery and believe this can be managed on a day by day basis with regular and professional dialogue.

2). Car Parking Permits (Fortfield Terrace)

The Club has 6 parking permits for use on Fortfield Terrace. These are primarily available for visiting teams - whether Cricket, Croquet, and Tennis. (Fortunately there is limited overlap). This is obviously subject to the availability of parking spaces.

For Cricket – 4 parking permits are reserved for the opposition team to enable them to park for the day. These are usually removed by the Groundsman at 9.00am on the day of the (adult) game.

For Tennis and Croquet – 2 or 3 parking permits may be required for league matches and/or competitions. Recent experience suggests this has worked reasonably well.

Thereafter, the car parking permits can be used by full & adult playing members of any section, whilst they are engaged in sporting activities on the premises.

Protocol for signing out and returning of passes is to remain unchanged.

Approved by the SCTCC Trustees

Date of Approval: 3rd February 2026

Review Date: March 2027
